Report of the Sub-Committee to the President of the Mysore City Municipality.

We, the members of the Sub-Committee appointed by the Board to discuss the budget estimates of this Municipality for the year 1905-06, have the honor to report that we have discussed each and every point of the Budget Estimates and have passed the same with necessary modifications in the expenditure side as particularized below :—

Head Office Establishment.—We propose that the pay of the Municipal accountant who is now drawing Rs. 20 a month be raised from Rs. 20 to 25 as the nature of the work which this official does is very important. The accountant in the Bangalore Municipality gets Rs. 60 a month.

Munshi.—This official who is drawing Rs. 20 a month since 1897 is an intelligent, hard-working and smart man. He has had no promotion for the last eight years. In the interests of the public service, we propose to raise his pay from Rs. 20 to 25 by an annual increment of Rs. 2-8-0, when he will at least have the status of a Taluk Head Munshi.

The office dafadar who gets a monthly salary of Rs. 7 is deserving promotion. Hence his pay has been proposed to be raised from Rs. 7 to 8, thus giving him the pay of a taluk dafadar.

Collection Branch.—As the shroff in this Municipality is maintaining Cash Books and other miscellaneous papers connected therewith, in addition to his onerous duty as shroff without the help of a gollar as in the Bangalore Municipality, we are inclined to increase his pay from Rs. 15 to Rs. 20 by an annual increment of Rs. 2-8-0, per month. This appointment will then be equal to that of a shroff in the taluk, and deputy shroff in the District Treasury.

Conservancy Department.—A provision of Rs. 10 per month as horse allowance to the Assistant Sanitary Inspector has been made in the budget in addition to his pay, as already recommended to Government by the President in his letter No. 120, dated the 6th January 1905, as per Board's Resolution No. III for the month of December 1904.

Lighting Charges.—As the provision of Rs. 9,400 made by the Vice-President under this head is considered insufficient to meet the demands as several roads and lanes have been newly opened by the Trust Board and for which more lights are required, it has been raised to Rs. 1,00,000.

Public Works Department, Road, Repairs.—The provision of Rs. 15,000 made in the budget is to be allotted mohalawar before expending it.

Buildings, Original.—The provision of Rs. 400 made for putting corrugated iron roof over the vegetable stalls in Devaraj Market being insufficient, it is proposed to raise it to Rs. 1,500.
